MONDAY

POLICE investigate after two Islamist gunmen are shot dead in Dallas, Texas, while trying to attack a competition to create cartoon pictures of the prophet Muhammad.

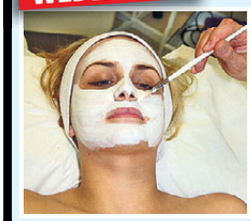
Ironically they should have learned to draw faster.

TUESDAY

GOOGLE'S driverless cars will be able to read cyclists' hand signals and take appropriate action, according to company papers.

Good for them. Will they also have the ability to read cyclists' minds? Because that's what the rest of us have to f**king do when one of the lycra-clad maniacs wants to turn right.

WEDNESDAY



MORE than 1,000 beauticians gather in China to set a new world record for the most people to simultaneously receive a facial.

That record was previously held by Big Sandra and her pals during their girlie trip to Magaluf last summer.

THURSDAY

BRITAIN goes to the polls to build a new future for Britain.

That's not to be confused with the rest of the year, when Britain goes to the Poles to build everything else.

FRIDAY

A SHOCKING election result sees the Conservatives win a majority, while Ed Miliband resigns as party leader.

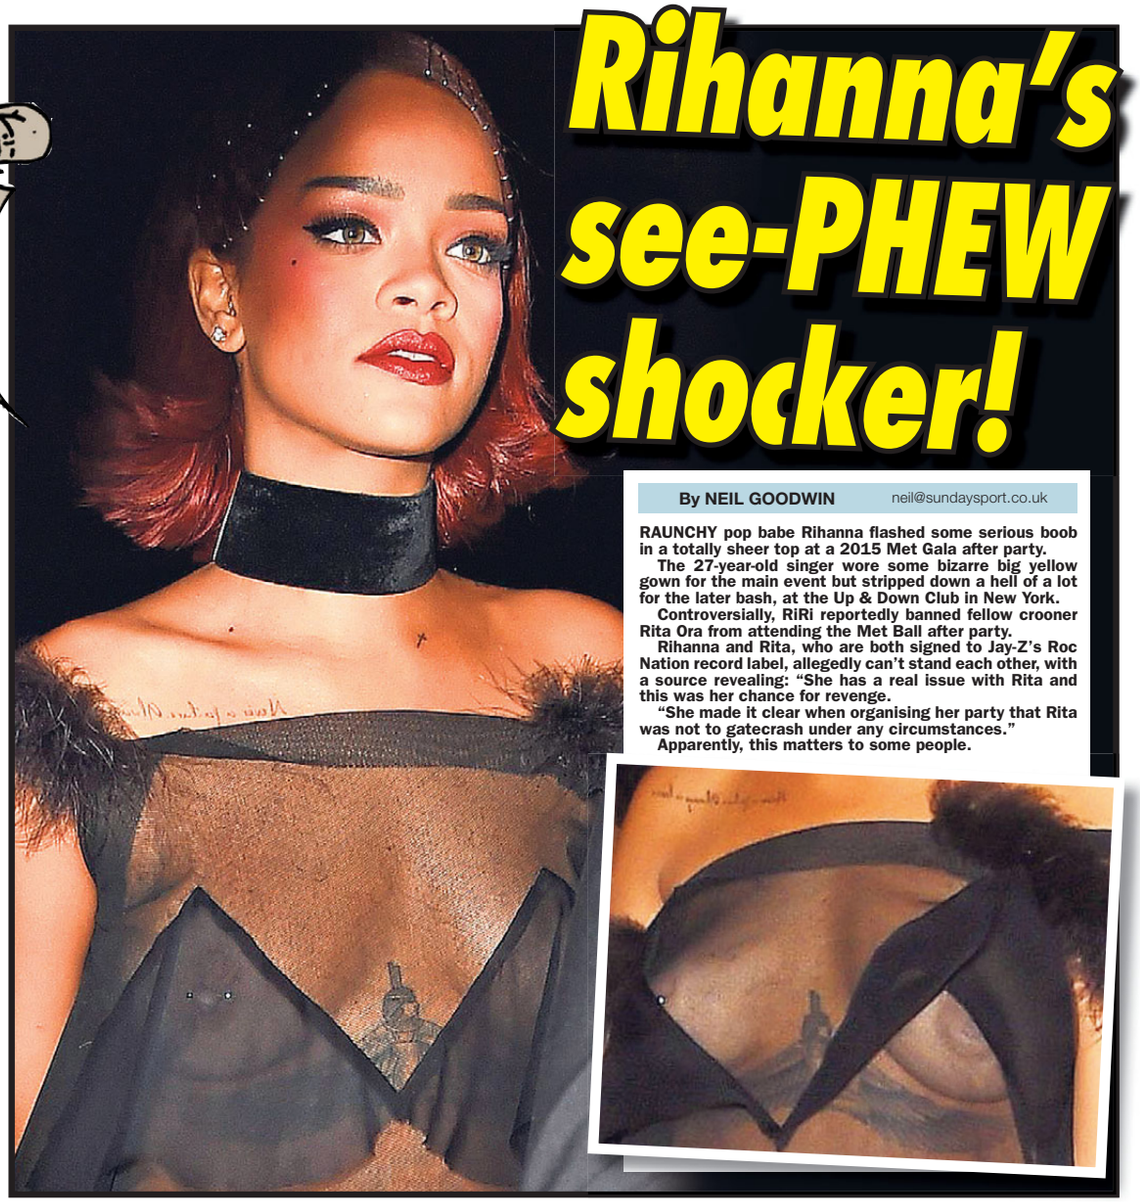
In time-honoured fashion, this means he'll now be able to spend more time with his family. Mostly his brother David, who probably hasn't stopped calling him a massive loser since Thursday night.

SATURDAY

ONE Direction split rumours abound as it's claimed Harry Styles and Louis Tomlinson have a "strained" relationship.

That would explain the noise they make when they sing. It sounds like they're "straining" for a massive turd.

Rihanna's see-PHEW shocker!



By NEIL GOODWIN neil@sundaysport.co.uk

RAUNCHY pop babe Rihanna flashed some serious boob in a totally sheer top at a 2015 Met Gala after party.

The 27-year-old singer wore some bizarre big yellow gown for the main event but stripped down a hell of a lot for the later bash, at the Up & Down Club in New York.

Controversially, RiRi reportedly banned fellow crooner Rita Ora from attending the Met Ball after party.

Rihanna and Rita, who are both signed to Jay-Z's Roc Nation record label, allegedly can't stand each other, with a source revealing: "She has a real issue with Rita and this was her chance for revenge.

"She made it clear when organising her party that Rita was not to gatecrash under any circumstances."

Apparently, this matters to some people.

THIS WEEK'S Sunday Sport NIPPLE COUNT IS . . .

Vic: I made happiest porno ever

THE sexy wife of comedy actor David Mitchell has lifted the lid on the time she made a PORN flick!

Journalist and pro poker player Victoria Coren Mitchell (*above*) wrote and directed the grumble vid 15 years ago as part of an "art and social experiment".

The 42-year-old wanted to make the "happiest blue movie of all time" and even wrote a book about her experiences, *Once More With Feeling*.

She explained: "The film that I made was definitely porn.

"It contained sex. I did not appear in the relevant film, unless you count the sound of me, behind the camera, making tea during a foreplay scene.

"I would say we were successful. Our cast was like a little family, sex happening only between existing couples, everyone well-paid, laughing a lot, and staying in touch for years afterwards.

"But I wouldn't do it now. After the explosion of the internet it's now hardcore porn that appears everywhere."

Kick in balls 'too violent' for web

TWO dominatrix performers have become the first Brits to fall foul of new laws banning violent online sex movies.

The Authority For TV On Demand (ATVOD) said Mistress Megara Furie and Mistress R'eal published smutty movies which breached its guidelines on "extreme content" – including one scene where a man is kicked in the balls.

Ms Furie quickly pulled down the offending content, but Mistress R'eal has so far failed to respond – and could face a massive £10,000 fine.

Sex campaigners have staged spankathon, whipathon and face-sitting protests against the porn rules and fear they will punish bondage lovers in ways they might not enjoy.

Mistress Furie, who lives in Glasgow, said: "The film which breached the regulation showed me kicking a guy in the balls. It wasn't a hard kick."

ODDBALL STALKED MICHELLE KEEGAN'S HEN PARTY

OBSESSIVE: Lance Foster poses for our snappa before truth is revealed

PARTY GIRL: Brave Michelle heading out to Dubai with gal pals

Sunday Sport snares creep trying to flog sneaky pics

A WEIRDO who secretly stalked Michelle Keegan during her Dubai hen party came a cropper after attempting to sell *Sunday Sport* so-called "upskirt" pictures of the babe.

Loner Lance Foster, 23, who freely admits to having an "unhealthy obsession" with the former *Corrie* actress, flew out to the desert playground hours after 27-year-old Michelle and her friends.

On his return, Foster contacted us claiming to have "explicit pictures" of Miss Keegan getting into a car.

We visited his seedy bedsit in Crewe, Cheshire, and quickly established that the snaps on his outdated computer gear were NOT of bright-eyed Michelle – they had been lifted off the internet.

Confronted with his lies, Foster sobbed: "I just wanted Michelle to take notice of me. I love her.

"She can't get married – I want to marry her."

Excuses

After explaining that intrusive paparazzi-style photographs had no place in post-Leveson Britain, we made our excuses and left.

MAN STABBED OVER SCRABBLE

PAIN GAME: Knifed Scrabble champ

A FORMER Scrabble champion is fighting for his life after being stabbed in a row about the word BELLEND!

Steve King, of Rugby, Warks, is three-times European Scrabble champion and has appeared on numerous day-time TV quiz shows, winning thousands of pounds in prizes.

But the 55-year-old's luck ran out at the 12th Balearic Scrabble Convention in Palma, Majorca, last week when he received a knife wound to the stomach.

Fell

Unmarried Steve and his unnamed assailant fell out during a practise game away from the main tournament hall.

A witness said: "There was some shouting about the correct spelling of the word 'bellend'.

"Mr King claimed it could be spelled out as one word, while his opponent insisted there was a hyphen.

"Obviously, there are no hyphens in Scrabble. It's either 'bellend' or it's nothing, as far as Scrabble's concerned.

"The shouting carried on, then there was a scream and Mr King fell to the floor. Mayhem descended – there was blood everywhere.

"The ambulance came and took Mr King away. He's not going to be playing Scrabble again any time soon."

50 Shades star's £1m nude deal

FIFTY Shades of Grey hunk Jamie Dornan has been offered almost £1 MILLION to flash his COCK!

The 33-year-old plays billionaire Christian Grey alongside Dakota Johnson, as Anastasia Steele, in the kinky film version E.L. James' bestselling erotic books.

Jamie, from Holywood, Northern Ireland, appeared topless in the first film this year.

But he has reportedly been offered a £970,000 "bonus" to go full frontal in the sequel *Fifty Shades Darker*, released next year.

A source said: "They're offering Jamie a bonus of $1.5m to do a full-frontal scene. And that's just the starting figure.

"They have assured Jamie that it won't be overt, but more of a brief tease – and he'll have some creative control over how it's handled… so to speak."

Pervert filmed sisters in shower

A VOYEUR who filmed two teenagers in the shower has been ordered to pay them £750 compensation.

The 54-year-old man videoed the sisters while in a relationship with their mother, a court heard.

Last September one of the victims told her mum she had been looking on the man's phone and found images of her and her sister in the shower.

Truro Crown Court heard how the man had hidden a camera in a box in the bathroom and made 36 video clips of the girls.

The man – who cannot be named to protect the identity of the victims – admitted filming the older girl but said he never intended to film her younger sister.

He admitted two charges of voyeurism and was jailed for nine months, suspended for two years, and placed on the sex offenders' register.

LORRAINE'S SECRET NUDE PICS EXPOSED

By BARNEY SAMUELS
news@sundaysport.co.uk

CHIRPY breakfast TV babe Lorraine Kelly helps keep lots of peckers up in the morning.

And the 55-year-old star has confessed that she loves being in front of the camera – even when she's NAKED.

Lorraine has never denied these outrageous pics are of her, and has revealed she has posed for nude photos for her hubby Steve Smith.

Asked if she ever let him take "saucy snaps" of her in action, she replied: "Yes! Yes! Yes!"

She also said she doesn't let her 4am starts ruin her love life. Quizzed as to whether early morning meant no sex, she told Piers Morgan on his show *Life Stories*: "I don't think it does. Afternoon delight!"

She added that with her and Steve at opposite ends of the country – him being in Scotland and her in London – she sometimes got frustrated.

Asked if she was getting enough, she said: "Well, not as often as you'd like because I'm down here and he's up there. We see each other at weekends."

PRUDES CHOP GIANT'S WILLY

THE famous Cerne Abbas giant of Dorset has had his COCK 'N' BALLS censored by the publishers of an online comic – to save Yanks' blushes.

The huge chalk hill carving of a ferocious naked warrior, raised cudgel clenched in his fist, his aroused cock on full show, was a step too far for Eco Comics.

They say they have been "forced to alter" the figure because some "readers", especially in America, would choke on their waffles when they saw him.

Eco's online comic stars a character based on St George in their Englishman series, and has the giant appearing with him in various adventures and battles.

But the company has announced that the giant's Johnson would be fully concealed – the artists have given him a CODPIECE.

But a spokesman admitted it was done with a heavy heart, saying: "Outlets, mostly in the US, refuse any form of nudity in comic books."

TAXI W*NK!

Hooker Kat Lee launches Britain's first handjob cab

By NEIL GOODWIN
neil@sundaysport.co.uk

FARE maiden Kat Lee has launched Britain's first mobile MASTURBATION service – dishing-out handjobs in the back of a BLACK CAB!

Enterprising Kat is already one of the country's hardest working escorts, charging punters £120-per-hour for no-holes-barred nookie.

And now Kat, 24, is branching out with an exciting business venture to make even Sir Alan Sugar proud.

She's bought her own taxi, hired a driver, and she'll specialise in ferrying clients between hotels and the airport.

For £50 the lucky passenger will also receive a "wank" courtesy of Kat and her expert fingers.

The Sunderland-born former porn star, who is operating out of Salford, is advertising the pioneering scheme on her online Adultwork hooker profile.

The 34F minx, real name Zayna Ellemore, told *Sunday Sport*: "I've spotted a real gap in the market.

Quick

"Many of my clients are wealthy businessmen jetting-in to nearby Manchester for meetings and then leaving the same day.

"They often don't have time to book an escort. But they DO have time for a quick tug-job during their journey across town.

"My cab has blacked-out windows and the driver won't be able to see what's going on inside either.

"What better way to get stuck in rush hour traffic?"

Kat has even put together a little video promo for "Kat Lee's Mobile Wanks". In it she says: "Phone the number, I'll pick you up, I'll give you an AMAZING wank in the back of the car, and then drop you off. Give me a call, sexy people!"

It's not the first time Kat has showed her business acumen – in 2012 she was caught working in a HOSPITAL, shagging patients in the toilets to cheer them up in their hour of need.

JUST COMING ROUND THE CORNER: Kat has had T-shirts printed up to promote her new business

WHAT A CAKE-UP!

IF you're being a cheapskate and making your own Sleeping Beauty magic castle cake for your young daughter's birthday – DON'T do this.

For a birthday party in Crewe, Cheshire, turned to mayhem when this erection was unveiled.

One mum, who took this photo – which has gone viral on the electrical internet – said: "All the mums were sniggering and some of the children were asking 'Why do the towers look like willies?'

"I felt so sorry for the mum of the birthday girl. She was mortified."

Carrot-up-bum tosser

A MAN was arrested after being caught wanking in his car – with a CARROT up his arse.

Police say a woman walking to her car parked outside a market hall in Suffield, Connecticut, saw 34-year-old Justin Oliver masturbating in the car parked next to hers.

She also noticed that he was "anally pleasuring himself with a carrot".

Oliver is charged with public indecency, breach of peace, and other motor vehicle violations.

A police source said: "This is a good town, a decent town. That kind of thing might play in New York City, but not here."

Nude drunk led police on five-mile car chase

COPS arrested a naked drunk woman who was driving the wrong way down a dual carriageway – after leaving her naked husband at a service station.

The Clare County sheriff's department says 23-year-old Jessie Schwaub-Devault left hubby Joshua Devault, 32, at the Mackie Rest Area near Mount Pleasant, Michigan.

And when cops tried to pull over Schwaub-Devault, she refused to stop her vehicle and instead led police on a five-mile car chase across town.

Fleeing

When she'd finally had enough and got out of her SUV, she ran off before being arrested.

Police are still in the dark over what led to the car chase – nor do they know why the pair were naked.

Police spokesman Dwayne Miedzianowski said: "I know when the deputies started to chase the driver, as she exited the vehicle, she was not clothed."

Shwaub-Devault was charged with drunken driving, fleeing police, indecent exposure and child abuse.

Sinitta begs to fill Cowell hole

SINITTA has revealed her bonkers attempts to convince Simon Cowell she can fill a hole on the *X Factor* judging panel.

The pop babe, 51 *(above)*, is a close pal of Cowell, 55, and has made several guest appearances on the hit ITV show.

But Cowell is refusing to give her a starring role – despite her bizarre efforts to show him otherwise.

She explained: "Every year I send him flowers, photos of me dressed as a judge, voicemails of me singing about why I should have the job… the works.

"I think he's scared to have me as competition."

And Sinitta reckons she's just as fit as current judge Chery Cole.

She added: "I'm proud of my body. I have flaws, but I think I'm in great shape for my age."

SHAPELY Emily Oldfield has been a firm favourite for more than eight years, since revealing her smashing boobs for an eager public for the first time.

But her talents don't stop at her impressive 34E top rack.

She has also appeared in a string of films, including 2005 drama *Where The Truth Lies*, alongside top Hollywood actor Kevin Bacon.

And Emily has appeared on popular telly shows such as *Footballer's Wives* and *Wag's Boutique*.

Emily has also graced the pages of countless lads' mags including *FHM*, *Maxim*, *Boy Toys*, *Loaded*, *Front*, *Zoo*, *Nuts* and *T3*.

Boyband

Plus, she has modelled in many commercial campaigns, such as adverts for Emma Jacobs Jeans range, Cotton Club Lingerie, Nivea beauty products, Lynx, Playboy Accessories and Knickerbox,

Emily has even been featured on a CD cover for boyband Westlife.

Pretty Emily enjoyed a fling with Blue's Lee Ryan in 2004 – even flashing her 34E boobs as the pair enjoyed a night out at London's Cirque club.

She told of their marathon sex session, saying: "Lust got the better of me and we had sex all night – six times in total!"

Emily now owns a commercial modelling agency in London.

Gym trainer shows off his flexible friend at front door

A GYMNASTICS instructor stood at the front door of his house stark naked and masturbating.

When a neighbour called cops, they found 54-year-old Boris Ponce de Leon *(above)* STILL naked and STILL wanking while walking across a nearby car park.

A startled Ponce de Leon told the arresting officer that he was very sorry and that he had learned his lesson, according to police records.

Ponce de Leon was employed as an instructor at Epic Gymnastics in Riviera Beach, Florida.

Officials at the company said Ponce de Leon is no longer an employee there as he was let go after the incident.

He is charged with indecent exposure and will appear in court next week.

Council snooper has secret topless past

SECRET PAST: Mrs Bird and Mad Mary in Corrie

LAST week brought yet more drama to *Coronation Street* with the arrival of council official Mrs Bird.

By BARNEY SAMUELS
news@sundaysport.co.uk

When she informs Mad Mary Taylor (Patti Clare) that there has been a complaint from a neighbour about her camper van, Mary is horrified.

But the straight-laced character would be even more horrified if she knew about toffee-nosed Mrs Bird's past!

The council official is played by actress Nicola Duffett, 52.

Formerly Debbie Bates in *EastEnders*, Nicola also had a very steamy role in the 1991 TV series *Perfect Scoundrels* alongside Peter Bowles and Bryan Murray.

In the series, she played a nude artist's model called Lil who revealed her ample charms for a painter.

A *Corrie* insider said: "I imagine the climax of the storyline involving Mrs Bird and Mary will involve the motorhome blowing up in a huge ball of flames.

"After all, that's the sort of witless gimmickry we rely on in *Coronation Street* these days, in the absence of anyone who can write an engaging script."

BY JORGIE!

THE Miss Manchester Finals – probably the most glamorous beauty contest in all of, well, Manchester at least.

Now that there's no hotties left in *Corrie*, it was left to *Hollyoaks* babe Jorgie Porter to provide the eye candy – and she didn't disappoint.

The 27-year-old arrived at Manchester's Palace hotel in a stunning floor-length white gown.

Thankfully, some idiot had forgotten to finish sewing up the front of her frock and so her big busters were spilling out.

One onlooker made strange gurgling sounds before being chased away by security staff.

By NEIL GOODWIN
neil@sundaysport.co.uk

WHEN you've got the biggest breasts in the country, you're pretty much duty bound to keep 'em nice and clean.

Which is why lovely Leanne Crow spends so much time soaping up her ENORMOUS 34H knockers!

The Sunderland babe, 25, said: "Bath time is my favourite time, without a doubt.

"I love to feel the soap all over my boobs."

And if you want to see a video of Leanne doing just that, simply use a QR reader to scan the code at the bottom of this page on your phone or tablet.

GEORGIA TOASTER POO HELL

STUNNING Georgia May Foote was being comforted last night after a crazed fan made a bizarre TOASTER POO suggestion.

The former *Corrie* star was on social media site Instagram when the crap-in-electrical-appliance outrage occurred.

Plugging some fashion website or other for witless females, Georgia posted: "When ur (your) nails and jumper match :) jumper from @officialplt"

To most, it was just an innocuous – if vacuous – statement but to one Instagram user, identified only as gagreen1978, it was an invitation to spew FILTH.

By SIMON DEAN
simon@sundaysport.co.uk

Mr Green suggested: "I'd let you shit in my toaster."

Dumping

An insider said: "OK, Georgia might not be on *Corrie* any more, but she's still a busy lady – too busy to go around shitting in people's toasters, that's for sure. And I'm not sure she'd shit in a toaster if she had all the time in the world."

After dumping childhood love John Sage, Georgia is now stepping out with ex-colleague Sean Ward.

Georgia, 24, quit her role as Katy Armstrong on the soap earlier this year to pursue work in the US – just months after Sean, 27, joined.

Kelly mate: Give my breast pal a chance!

BUSTY Kelly Brook's best pal has told critics to stop slagging her off.

Brunette Kelly is bosom buddies with ex *EastEnders* actress Preeya Kalidas.

And Preeya, 34, says her sexy mucker should be cut some slack.

Preeya, who played Amira Masood in *Enders*, said: "Kelly and I did a play together 10 years ago and we just connected.

"When you don't really know someone, you make assumptions about how things could be easy for her.

"But they're not.

"She works really hard and she has a really good attitude when things don't go so well. She gives me strength in the way she handles things."

Preeya also defended Kelly's American sit-com *One Big Happy*, despite it being panned by critics.

She added: "The producers of *One Big Happy* loved her and she's doing what she loves. Whatever happens from here, she's enjoying it."

BGT magician makes her undies disappear

By NEIL GOODWIN
neil@sundaysport.co.uk

SIMON Cowell will like this, but not a lot...

Because a sexy magician on last night's *Britain's Got Talent* loves flashing her downstairs magic circle as an X-rated NUDE model!

Spell-binding Chloe Louise Crawford, 27, wowed Cowell and his *BGT* judges by making a motorcycle disappear in front of their very eyes.

Speechless Cowell, 55, gushed: "That was an illusion on a grand scale never seen before on *Britain's Got Talent*."

And we can reveal how Portsmouth-born Chloe also likes showing her WIZARD'S SLEEVE – getting her shaven minge out for photoshoots and steamy vids!

Chloe, who moved from England to Las Vegas, in 2012, also likes bonking on car bonnets.

She revealed: "I love a man who's spontaneous and likes to go on road trips.

"I'm also really, really into classic cars – if you've got a 60s or 70s Corvette, I'm sold.

"I once had sex on the hood of a Stingray!"

Buxom 32D Chloe is also a magician's assistant for her famous husband, Murray Sawchuck.

Plop in cop car stunna trashes ex's in burglary

A WOMAN broke into and trashed her ex-boyfriend's house before SHITTING in the back of a police car when she was later arrested.

Katelyn Felegi (*above*) was detained after burgling her former lover's property in Largo, Florida.

The 18-year-old was in the back of an officer's cruiser when she "intentionally removed her pants and defecated, thus creating bio-hazard waste".

The soiled vehicle was then ordered out of action for eight hours.

Unlucky prison inmates were forced to clean the disgusting mess up.

And the total cost of the damage was believed to be around $100 (£65).

Felegi now faces a range of charges including criminal mischief, burglary and simple domestic assault.

SPIRITED: Star Juliet gets kit off for former big roles

TELLY viewers who like getting the willies up them have been gripped by new Sky Living series, *The Enfield Haunting*.

It's the real-life story of a family from north London who, back in 1977, called in psychic investigators after their home came under attack by a suspected poltergeist.

The chief ghoulie hunter, Maurice Grosse, is played by top thesp Timothy Spall and his sidekick, Guy Playfair, is former *Spooks* star Matthew Macfadyen.

Maurice's wife, Betty, is played by Juliet Stevenson.

And we did our own bit of investigating and found some footage of Ms Stevenson STARK NAKED – minge and all – in the 1991 TV play *Aimee*.

But the surprises didn't end there.

For Juliet also stripped off in 1993 for the movie *Secret Rapture* and in 1995 for mini-series *The Politician's Wide*.

A telly insider said: "*The Enfield Haunting* left my hair on end, But Juliet, in the nuddy, left my bellend on fire. Phwoar!"

TOP GEAR EXCLUSIVE

JODIE KIDD'S CLINGFILM POO TRICK SECRET

IT'S a good job posh cars have got wipeable leather seats – because new *Top Gear* host Jodie Kidd is hiding a stinky Clingfilm SHITTING secret.

The toff totty, 36, has just divorced former elite soldier David Blakeley, 36, having been married for less than a year.

And we can reveal how Special Forces hardman David used to love dropping his trousers and curling one out into a bit of flimsy see-thru plastic.

Writing in his book *Maverick One: The True Story of a Para, Pathfinder, Renegade*, he explains: "We're all going to have a crap in the shelter of the woods. We're going to bag it and take it with us.

"I go first, dropping my trousers in the icy blast and poor old Smudge has to hold the cling film for me.

"I bet he never imagined doing that for an officer!

"Once I'm done Smudge hands me the steaming wrap of crap. This is deadly serious, so no-one's pissing about.

By NEIL GOODWIN
neil@sundaysport.co.uk

"Then I roll out the cling film for Smudge to have a go."

Ex model Jodie is rumoured to be joining a new-look BBC motoring show following the departures of Jeremy Clarkson, Richard Hammond and James May.

Cam in 'does Sam take it up exit poll' jibe

ONLINE trolls have soiled David Cameron's historic election victory with unspeakable BUM SEX jibes.

As the PM led his party to an unexpected overall majority, keyboard warriors – many thought to be socialists – flooded the internet with crude suggestions about him and his pretty wife Samantha.

While the political map of Britain was being painted blue, a Twitter user calling

themselves @Lunch69 posted: "David Cameron is having anal tonight".

But even that was not as awful as a post earlier in the week.

The PM's Twitter staff posted a picture of Mr and Mrs Cameron on a visit to the south west at the invitation of James Heappey, who on Friday ousted the LibDems from the Wells seat.

Under the charming photo, Twitter user Ash Hanson, of Leeds, commented: "Does she prefer anal or vaginal intercourse?"

INTERVIEW: Comic Russell chats to Labour leader Ed on his YouTube channel

TRAGIC ED'S PAL AND THE LESBO THREESOME

LOVER: Ex Jordan with Russ

A FORMER girlfriend of millionaire leftie Russell Brand claims the long-haired word-spewer described a romp with two lesbians as BORING!

Former model Jordan Martin had a six-month relationship with wealthy social justice campaigner Brand in 2007 and was troubled by his constant "need to seek sexual release".

Pretty Jordan said she refused to join in the romp with the Sapphic pair – but Brand carried on without her.

Jordan, now 34, revealed: "He said he had invited these two lesbians round, saying that sex would be good with lesbians.

"He wanted me to get involved, to make it OK for him, to validate it. But I decided to make a stand. I was physically, emotionally and mentally exhausted. I couldn't go along with this.

"I said I'd go out for a walk. But he didn't want me to go so he stood in front of me, blocking my way. So I just gave up and went into the TV room and blocked it out. It felt horrible.

"Afterwards he said it was boring. He was always sad after these encounters."

Last night election-loser Ed Miliband, who was interviewed by Brand on his YouTube channel The Trews, was unwittingly dragged into the row.

A senior Labour source said: "Ed made a huge blunder courting the approval of a man who describes a bunk-up with two lezzas as 'boring'?!

"It's every man's dream! And here's this scruff dismissing it as tiresome. By hitching his wagon to Brand, Ed effectively sealed his fate. No wonder we lost."

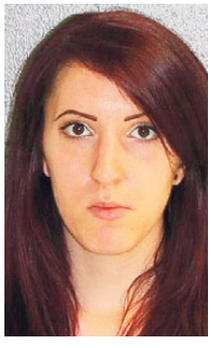
DOG SEX GIRL BONKED TEEN



A YOUNG mother who regularly had sex with a dog was arrested after confessing to bonking a teenage lad and supplying him with drugs.

Police arrested Brittany Sonnier, 23, of Holly Hill, Florida, after the 15-year-old boy, who lived next door, told his parents about their relationship.

Oral

The teen told them after becoming concerned he may have contracted a venereal disease when he learned Sonnier had been accused of having 'vaginal and oral sex with two canines' in 2012.

Sonnier has been charged over a lewd and lascivious battery sex act with a person less than 16 years of age and contributing to delinquency of a minor.

In addition to having sex on two straight nights, Sonnier revealed she also gave the boy weed and booze.

According to a 2012 police report, a former boyfriend of Sonnier revealed she told him she'd engaged in sexual activity with dogs. She said she had been intimate with the animals since she was a teenager.

Sonnier's boyfriend ended their relationship after these revelations.

Porn in the class teacher – I was not masturbating

A TEACHER accused of masturbating in a classroom has admitted he was looking at pornography at the time but says he is 100 per cent sure he wasn't pulling his pud.

A student alleges he peered through a window and saw the tutor, with his pants down around his thighs, masturbating.

The teacher, who cannot be named for legal reasons, is on trial charged with committing an indecent act in a public place.

In a police interview read to the court in Auckland, New Zealand, the lecturer said he was viewing explicit material on his school laptop through the blogging site Tumblr.

He told the police interviewer it was a "poor error of judgment" to be viewing porn websites during school hours, but insisted his trousers were on the entire time and he was not aroused.

He stressed during the interview that he had remained fully clothed at all times and had never masturbated on school grounds.

The school suspended the teacher shortly after the alleged incident took place and he resigned a month later.

The case continues.

Driver porked by randy 24st pig!

A LUSTY giant pig tried to BONK a woman in the front seat of her car.

The incident took place when a driver, who cannot be named for legal reasons, spotted a 24-stone Kunekune terrorising traffic near her home in Dunedin, New Zealand.

She got out to try and usher it off when it began nibbling her trousers.

The woman ran to her car but it gave chase and mounted her as she lay on the front seat.

A man came to her rescue and twisted the pig's ears – in a bid to get the beast off.

The lady suffered severe bruising on her shoulder and thigh.

COUPLE CAUGHT BONKING ON BBC CANAL SHOW

SUNDAY Sport EXCLUSIVE

By SIMON DEAN
news@sundaysport.co.uk

SHARP-eyed telly fans were stunned last week when they spotted a couple BONKING during a two-hour BBC movie about a canal.

All Aboard The Canal Trip, screened last Tuesday, was a 120-minute real time journey along the Kennet and Avon Canal in Wiltshire, filmed from the front of a barge.

It's the latest example of so-called "slow TV" – an antidote to the fast pace of modern telly.

But there was nothing slow about the rhythm of a man banging the kidneys out of a young lady on a canal-side bench, thought to be between Bathampton and Claverton.

Last night a BBC source told *Sunday Sport*: "I have absolutely no idea what you are talking about."

GENTEEL: Barge show is change of pace for modern TV

Mayor's council leak goes viral

A MAYOR in Texas was left with egg on his face after he left his microphone switched on during a toilet trip in the middle of a council meeting.

Councillors there could barely contain themselves when Mayor of Georgetown Dale Ross' toilet break was heard on the speakers of the main conference hall.

In the video, Councilwoman Rachel Johnrowe is seen breaking out in fits of laughter as Ross is heard relieving himself over her speech about antibiotic resistance and infectious diseases.

The toilet is then heard being flushed moments before the mayor, who has no idea what has just occurred, returns to his seat.

Ross is then left red in the face after he is informed of his actions by a fellow councilman.

The video has since gone viral online – with more than one and a half million people viewing it on YouTube.

Despite it being so widely viewed, Mayor Ross has yet to comment on the incident.

You must have billpayers permission. Texts cost network charge + £2.00 per msg rec (3 messages per reply) = £6. Calls £1.53 p/min plus access charge

DEANO ON SUNDAY

WHATEVER the election result on Friday, it was the anniversary of a much, much bigger result in 1945.

A survey last week found half of all 18 to 25-year-olds had NO IDEA what VE Day was.

That is horrifying.

Just about everything in modern Britain that we enjoy and cherish is down to the Allied victory in the Second World War.

It is THE pivotal moment in Britain's past.

But we have millions of kids who have no idea about the struggle and sacrifice of a generation who are still with us, albeit in dwindling numbers.

On the plus side, of course, schools today do teach kids how to felch each other and how to address a tranny without causing offence.

Don't make Nicola angry...

THE big winner from last week's election was, of course, the SNP's Nicola Sturgeon.

Scotland is now a virtually one-party nationalist-socialist state. Haven't we heard that before somewhere?

One thing's for certain, though, David Cameron shouldn't make her angry – he wouldn't like her when she's angry!

Big loss for Brand and for Twitter

NO SWAY: Russell Brand's backing of Labour was completely pointlesss

A CHAP called Owen Jones – a tedious young fellow who writes for the *Guardian* – declared after Ed Miliband's ridiculous interview with Russell Brand: "He (Brand) has nearly 10 million Twitter followers. He is listened to by hundreds of thousands of disillusioned Britons. Russell Brand matters."

As a leftie, Jones must be used to being proved wrong.

He was wrong about Brand – whose backing of Miliband added up to twice the square root of f**k all.

And he is wrong about the influence of Twitter.

We have been told that if something is "trending on Twitter", then it must be important.

It's not.

Those who shout loudest on the social media site are marginalised nincompoops. They do not reflect the real Britain. Real Britain is out there doing real things like working, playing with the family or drinking beer.

It is not hunched over a laptop or iPhone tippy-tapping 140-character messages and sending them into cyberspace.

Twitter is simply a means of communication. Saying it has any influence on how people will vote is like saying telephones or the Royal Mail have any influence. People who spend too much time on Twitter are the same as the people who used to obsessively write letters in green ink to newspapers.

The election has shown that the British people are capable of making up their own minds without the help of some long-haired shagabout or a commie troll behind a computer screen in a Luton bedsit.

Another reason not to 'like' local councils

AS you may have guessed by now, I'm not a massive fan of local government. Local councils must be the most wasteful collections of halfwits and has-beens in the Queen's lovely realm.

A wonderful example has emerged from west Wales.

Llangunnor Community Council in Carmarthenshire has been rocked by bitter disagreement over what they should "like" on Facebook – despite just 59 people following the page.

The council "likes" a selection of local services, schools and council initiatives.

However the "liking" of a local horse riding centre proved particularly controversial, with one councillor repeatedly shouting "I don't even like horses!" at a council meeting.

Now the council has agreed to change the system of "liking" to make it more democratic.

It has appointed a special web committee to decide which pages the council should give the thumbs-up to, with the council now having a full vote every time they want to "like" something on Facebook.

This is the sort of ridiculous nonsense that is going on in councils, large and small, up and down the country.

It's funny and it's petty, of course. But don't forget, we're paying for it.

FISHING is Britain's No.1 participation sport.

Millions sit on river banks and canal sides every week pitting their wits against denizens of the deep such as the crafty roach, the devious perch and the sly gudgeon.

Despite this, the sport gets little TV coverage – with notable exceptions such as shows made by the ebullient Aussie Rex Hunt, laughing John Wilson and Matt Hayes, along with his sidekick Mick Brown.

But all that may be about to change as a Russian TV format is about to burst onto our screens.

It's just like an ordinary angling show – only the participants are all DRUNK!

The show – whose name roughly translates as "We Fish While Drunk" – is a smash hit in the former USSR, where fishing piss-ups are a national pastime.

simon@sundaysport.co.uk

Now telly execs want to screen the subtitled Russian show in the UK – before filming begins on British-based episodes.

A TV insider said: "We're very excited about bringing *We Fish While Drunk* to the UK.

"Health and safety rules are a bit stricter here so we may have trouble allowing drunk people cavorting near open water, but we'll get around it somehow.

"Even if we just knock it out late night on Dave."

Donkey-shagger bribes witness with £1

A TEENAGER bonked a donkey on a rubbish dump then tried to bribe a witness to keep quiet – with £1!

Munashe Chigombe, of no fixed abode, found the beast grazing at the Dulibadzimu dumpsite, prosecutor Jabulani Mberesi told the court in Beitbridge, Zimbabwe.

But rather than pat the long-eared equine or give it a carrot, Chigombe whipped out his dick and proceeded to shag it.

He was spotted balls-deep by the donkey's shocked owner, Thomas Moyo, Mr Mberesi told the court.

When Moyo confronted him, Chigombe offered him the small bribe to buy his silence.

Moyo declined the cash and alerted community members who effected a citizen's arrest on Chigombe, who pleaded guilty in court.

Beitbridge magistrate Miss Gloria Takundwa slapped Chigombe with a 10-month sentence.

As Chigombe was led to the cells, rowdy members in the public gallery began braying like donkeys.

QUIM TRIM: Katie (*right*) can have a freebie from Tanya (*below*) if she stops being nasty

A LEADING beauty expert last night offered to tackle Katie Hopkins' unruly fanny hair – if the motormouth agrees to be NICER!

By BARNEY SAMUELS
news@sundaysport.co.uk

Professional troll Hopkins, 40, last week complained in a paper (below) that her luxuriant mingebeard "needs a Flymo".

Beautician Tanya Jones of Salford-based Gazania Hair & Beauty has now offered to tame Hopkins' beaver for free – so long as the ex-*Apprentice* star stops being so unpleasant.

Tanya, 39, said: "I read that Katie Hopkins is in need to a bit of a trim. Well, at Gazania Beauty we do the full range of waxings.

"If Katie's downstairs is very long we'd give it a trim before waxing – or it could be a little painful.

In my case it is due to an abundance of leg hair and a lady garden which clearly needs more of a Flymo and a pair of shears than a minor trim.

"I'd happily do it for free if Katie stopped saying such unpleasant things about people, just to get attention."

Drunk on a plane woman chose to be 'disgraceful'

A WOMAN has been found guilty of having sex on a plane after a judge dismissed her claim she was so drunk she couldn't remember what happened.

Judge Timothy Gabriel said he didn't believe Alicia Lander's version of events on the flight from Toronto to Halifax, Canada, on January 24 last year.

Lander could recall she had 14 shots of whisky at the Toronto airport and on the flight, but did not recall pulling her underwear down on the plane, speaking to flight attendants or being taken away by police in Halifax.

Gabriel said in court: "Her actions appear to have been deliberate.

"There was no indication she was in any type of diminished capacity. She was intoxicated.

"She simply chose to behave in a disgraceful manner."

Gabriel also found her guilty of assaulting a cop, committing an act of mischief and causing a disturbance that damaged property at Halifax Stanfield International Airport.

Lander, 26, who had pleaded not guilty to the offences, is due back in court in July for sentencing.

IF you or I went down the beach and exposed our private parts while bellowing, we'd soon be hauled away by the cops.

For feminists, however, such behaviour is not just accepted – it is celebrated as ART.

Artist Nicola Canavan is assembling women for an event called "Raising the Skirt" – essentially, a load of women flashing their pissflaps and yelling on a beach.

Nicola explains on her website: "We will be sharing an intimate space where we will put down roots in the earth and grow strength through union.

"This workshop is open to people of any background who wish to (re)claim the(ir) c**t."

It is supported by the taxpayer-funded Arts Council via the Live Art Development Agency.

SUNDAY STUNNA

ZAFIRA

By BARNEY SAMUELS
news@sundaysport.co.uk

SHE shares her name with a popular car – and gorgeous Zafira has some bodywork we can ALL admire.

The 36B-25-34 stunna hails from Budapest in faraway Hungary and this is her first ever appearance in Britain's brightest newspaper.

The 29-year-old purred: "In my country we have all heard about your *Sunday Sport*, which is smuggled in by lorry drivers and read by all the people.

"It is my honour and delight to be appearing in your lovely paper. I hope I will make lots of fans in your country of Great Britain, yes?"

FIRST-TIME SEX

JILL: My first time was at my former boyfriend's house with his little sister downstairs and it was a disaster.

It was typical first-time sex, rushed and rubbish.

MAE: Mine was at my parents' house, which wasn't allowed. It was with my first long-term boyfriend and it wasn't brilliant, but in fairness it did get better.

I can't really remember if it lasted a long time as I didn't really care. I just wanted it over with.

WORST TIME

JILL: I was in the middle of sex when my parents came home and he had to stop really quickly.

By their faces, I think they knew what we had been doing. One guy I went with was pretty rubbish.

It lasted 30 seconds and he was embarrassed. I liked him a lot so I hoped he was just having a bad day – but it was a couple of bad months!

MAE: I have had a similar experience with someone I used to work with. I liked him for quite a while and then we had sex. Midway through he just stopped and apologised and that was it.

STRANGEST PLACE

JILL: It is a bit of a cliché but it was on a beach, which I know is not that strange. And I lost my flip-flop there. I was a little bit tipsy.

I have also had sex in the sea during the day, which was a little bit naughty as people were around us at the time.

MAE: The most exciting place I've had sex is on the bathroom floor. We had just had a shower together. He was a lot taller than me so we weren't well suited to doing it in the shower.

WILLY SIZE

JILL: It is one of a number of factors. Generally, his technique needs to be good, too.

I don't think it would put me off if they were a little bit on the small side. I have been quite lucky in that respect, but too big can be a problem, too.

Any lad whose willy is five inches or above need not worry.

MAE: They need to know what they are doing but if it is really small it is pretty pointless.

I had sex with one small lad and it was rubbish. I think he realised I wasn't enjoying it so I told him not to worry and that it was fine.

Anything six inches or above is good enough for me.

OH-NO MOMENT

JILL: I have not been caught but I've caught someone having sex which was weird. I was going into my friend's room and suddenly realised they were having sex and you get the image in your mind which is not good.

MAE: Once I was doing something in a car park and a police car pulled up behind us! We had just finished having sex and I was struggling to put my clothes back on.

They stayed there a couple of minutes and then left. I was panicking a little bit. We were in France, which made it worse because you are never quite sure how they are going to react to tourists.

TURN-ONS

JILL: I quite like hairy men.

MAE: I like guys with big hands and muscular backs. I always think if they have big hands, they have big other things, too!

SPIT OR SWALLOW?

JILL: I do both – it just depends on the situation. I prefer to spit if possible.

MAE: I find that some guys taste better than others.

ONE-OFFS

JILL: I have never had a one-night stand – I am not confident enough and I prefer to know him before doing anything sexual. It is more to do with confidence than not wanting to.

MAE: I have had a couple but they have all turned into relationships in the end, which is fine by me.

THREESOMES

JILL: I would rather do it with two guys. But then I wouldn't want to see the guys do stuff to each other.

If it was with another girl I would be too jealous.

MAE: I haven't had one but I might. I think it would be a bit tricky if you are with someone.

And I don't think I would want to have it with another couple.

ADULT TOYS

JILL: My first boyfriend bought me a vibrator. I used it with him but after that it has stayed in the drawer.

MAE: My first fella bought me a huge, bright blue and glittery one. He wanted to watch me using it on myself. But the size and colour put me off using it though.

BUM FUN

JILL: If you relax and have a couple of drinks beforehand then it is fine

I've done it a few times, and have grown to quite enjoy it, to be honest.

The first time I tried it, it was a bit of a weird experience – I didn't really know what to expect.

And the lad I was with at the time got a bit over-excited and didn't last very long!

MAE: I think anal sex has to be with a long-term partner. You have to know each other well before you start going in that direction.

It would have to be with someone I really trusted. I've read loads about how much pleasure both men and women can get out of it.

So I plan to give it a go one day.

love showing my boobs...
SHIONE COOPER

By BARNEY SAMUELS
news@sundaysport.co.uk

FANS of European grumble flicks may be able to recognise massive-boobed Shione – as she is a leading PORN star.

From Prague, in the Czeh Republic, the 27-year-old model is a born exhibitionist and adores making lusty fellas drool over her whopping knockers.

Sporty Shiona said: "Even when I am not modelling I like to show off my body.

"Now that the weather is a lot warmer, I like to wear skimpy tops which show off my big busters to the best advantage.

"Sometimes, if I like the look of a man who is eyeing me up in the park, I will give him a little flash of them.

"Who knows, as you say in the UK, it might be you next time!"

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week busty Morgan Lees has been reading your letters. Here's her advice...

Dear Morgan,

OUR neighbours asked us to keep an eye on their house – and their 18-year-old son – while they were away on holiday.

My husband works nights and one evening, bored of channel-hopping, I put on one of my husband's porn DVDs.

I was f**king myself with a dildo when I heard a noise outside.

It was the neighbours' son, who was pissed and he'd lost his key. I went out and told him he could stay at ours and my husband would help him in the morning.

I told him to go in the lounge while I grabbed some drinks but my heart sank when I realised I'd left the blue film running and the dildo on the sofa!

I gingerly peeped round the door and saw he was sitting there watching the porno with a thick nine-incher sticking out of his flies, as he wanked himself off.

I came in the room and grabbed his cock, gave it a long hard suck and straddled him.

He started pumping furiously until we came to a simultaneous climax.

I asked him to keep quiet but he must have told his friends, as a few have been to see me for sex.

What should I do?

LR, West Yorks

Morgan says...

SAY no! If your husband found out, there would be hell to pay.

Best mate's babe is blowjob queen

Dear Morgan,

MY best mate's bird is really fit – she's 18, blonde with lovely tits and is addicted to giving blowjobs.

Her addiction is well-known around the neighbourhood and she has sucked off five of my mates.

We've been having regular oral sessions in my car, and a couple of weeks ago after many months of trying, she let me shag her.

After I'd taken her doggystyle on the back seat she told me that it was her big fantasy to be filmed while f**king five blokes.

I said to her that I would see what I could do.

Not surprisingly I found some volunteers and last week me and four mates knobbed her for three hours.

She was wearing black stockings and sussies when we got to her flat.

She didn't have them on for long and I did her from behind, while another guy slid underneath and took her up the arse.

Another mate with a nine-inch cock thrust it into her mouth and she wanked the other two off.

I saw her again the next night on my own.

She wore a saucy nurse's uniform for me and loved it when I tied her to the bed, spanked her lightly and then pounded into her sopping hole.

Now she says that she would like to make another video of her shagging SIX blokes.

We're set to make that video next week.

The only problem is that I feel a bit guilty when I'm with my pal – as he's talking about marrying her.

Do you think that I should tell him that his bird is a right old slag?

SF, Glasgow

Morgan says...

NO. leave her alone, and stop taking advantage of her.

Dear Morgan,

FOR some reason two of my daughter's friends think I'm a superstud!

They're 20 and I'm 44, but they are always sidling up to me and offering sex.

One Saturday night, I gave my daughter and her mates a lift home after they'd been out.

I dropped my daughter off first before taking her mates.

I could hear them giggling in the back seat and then one of them said that I didn't have to take them straight home.

I glanced in the rear-view mirror and they were both naked!

I don't know what came over me but I pulled into a country lane and got in the back seat with them.

I ended up shagging one while the other sat on my face and then doing the same again the other way around.

I've been shagging both for a while but I fear my daughter knows.

What can I do?

RE, Somerset

Morgan says...

THE sensible thing would be to stop – NOW!

Letter of the day

Dear Morgan,

ONE of my neighbours is a plumpish middle-aged woman who goes running in a tight jogging suit.

When I see her lovely big bum bouncing down the street I get a massive hard-on.

I fantasise about her sitting on my face while I nibble her clit and pussy.

But it's only a fantasy.

She's seen me ogling her as she runs by but I don't know how to chat her up.

What's the best way I can break the ice with her?

ES, Dorset

Morgan says...

TAKE up jogging and then you can invite her to join you on a run.

Dear Morgan,

I'M so glad it's nearly tennis season as I am addicted to watching women play the sport.

All those tight little white shorts and tops get me hard.

You can imagine their tight fannies sluicing about as they run for the ball.

Last summer, I travelled the county where I live to watch as many women's tennis matches as possible.

At one I nearly got caught wanking behind the changing rooms and had to jump in my car and drive away.

Do you think I'm taking too much of a risk?

WF, Durham

Morgan says...

KEEP your dick in your trousers, unless you're watching at home in front of your telly – or you'll end up getting arrested!

THE pursuit of the body beautiful is the modern obsession that threatens the fabric of our society.

We have the ridiculous spectacle of grown men forcing themselves into Lycra and "working out" on various "exercise contraptions".

Approximately half of these men will be felled by the resulting heart attack while another 50% try to take a short cut using so-called "steroids", which turns them into murderous psychopaths.

And even if they do manage to seduce a lady with their big muscles, the 'roids will render them impotent.

RISE and shine fellas – because sexy Siobhan Murray is a massive fan of MORNING sex.

Siobhan – from the famed black pudding town of Bury, Lancs – said: "Well, I love morning sex! Waking up to a naked man's head between your legs…yum!

"Then you're smiling for the rest of the day. I like giving oral sex too, as I want to hear my man really enjoying himself.

"A 69er is the best of both worlds. And I quite like having sex outside, too.

"Doing it in the bedroom is fine, but you get a real rush of excitement having a quickie in the great outdoors. Public sex feels so naughty!"

Woman divorces hubby over 'DOGGY BOOBS' jibe

A WOMAN is taking her husband to court seeking to end their marriage of 23 years, claiming he often insults her by saying her breasts sag like those of a DOG.

Muriel Mkandla, 44, sought to divorce Jealousy Ziki as she narrated a tale of habitual abuse by her husband.

Mkandla said Ziki, 45, was so stingy he had never bought her a gift – not even underwear – in more than two decades of marriage.

By BRAD CHADWICK
news@sundaysport.co.uk

Goats

She told the court that Ziki always insulted her, saying members of her family were "lazy goats" who do nothing but spend the whole day drinking beer.

Mkandla, of Esiphezini Village, Zimbabwe, said she was afraid of Ziki because he had tried to stab her with a spear on three occasions.

He was also said to have kicked his wife and their children out, and they had to sleep rough.

She told magistrate Victor Mpofu she could not repeat the other insults Ziki "regularly showered" her with as she was too embarrassed.

Mkandla added: "He usually takes the money that I and my children get from our harvest sales claiming that he wants to open a tuck-shop.

"He tells me he will marry a new wife and I will leave his homestead with nothing!"

Ziki, who denied the allegations, told the court: "She suspects I have another wife and children. I've never abused her and always been supportive."

Magistrate Mpofu granted the dissolution.

TWEET TWEET: Pietersen can't stay off it

PIETERSEN MAKES TWIT OF HIMSELF

CRICKET: By ANDY MILLOM

KEVIN Pietersen spends more time on twitter that your average teenager — and most of his tweets are ever more desperate pleas to get his England Test place back.

KP was ditched by the Three Lions almost two years ago after reportedly causing division within the dressing room.

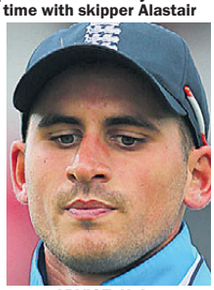
But since then it's fair to say that he hasn't been replaced in the batting line-up — and he certainly knows it. He may have fallen out big time with skipper Alastair Cook but he's hoping the court of public opinion will help him to win his place back.

KP took to twitter last week with cryptic messages urging new head of English cricket Andrew Strauss to give the public what they want.

That was interpreted as saying he was what the public wants.

He's gone beyond that now with a direct plea to have his place back in the side ahead of this summer's home Ashes series.

Pietersen has taken to twitter to say: "I have over 13,000 international runs! I top scored in my last series...I have 1,000's more in me for England!"



ADVICE: Hales

Hints

If that wasn't direct enough, KP jumped on a conversation about rising England star Alex Hales to press his claims even further.

Hales had tweeted himself that he might ask the South African-born batter for some hints tips this summer.

To that, Pietersen wasted no time in responding: "I'd be happy to help! Be nice to bat at 4 & him open in Ashes!"

He has almost 2.5m followers on the social media site and he'll be hoping that a twitter campaign can bring him back into the fold.

He added on the Hales situation: "I will help if I get asked, but I'd rather do it by batting on 21 May in the Test match with him!"

One of the problems Pietersen has is that he doesn't know who to suck up to.

Current England coach Peter Moores looks set for the chop after his side limped to a 1-1 draw in the West Indies.

Matthew Hoggard is in little doubt that Moores ISN'T the right man to take the team into a crunch series against the Aussies.

He said: "He's just said we had a good tour of the West Indies and the young players are progressing.

"You think, well, they didn't blood the young players.

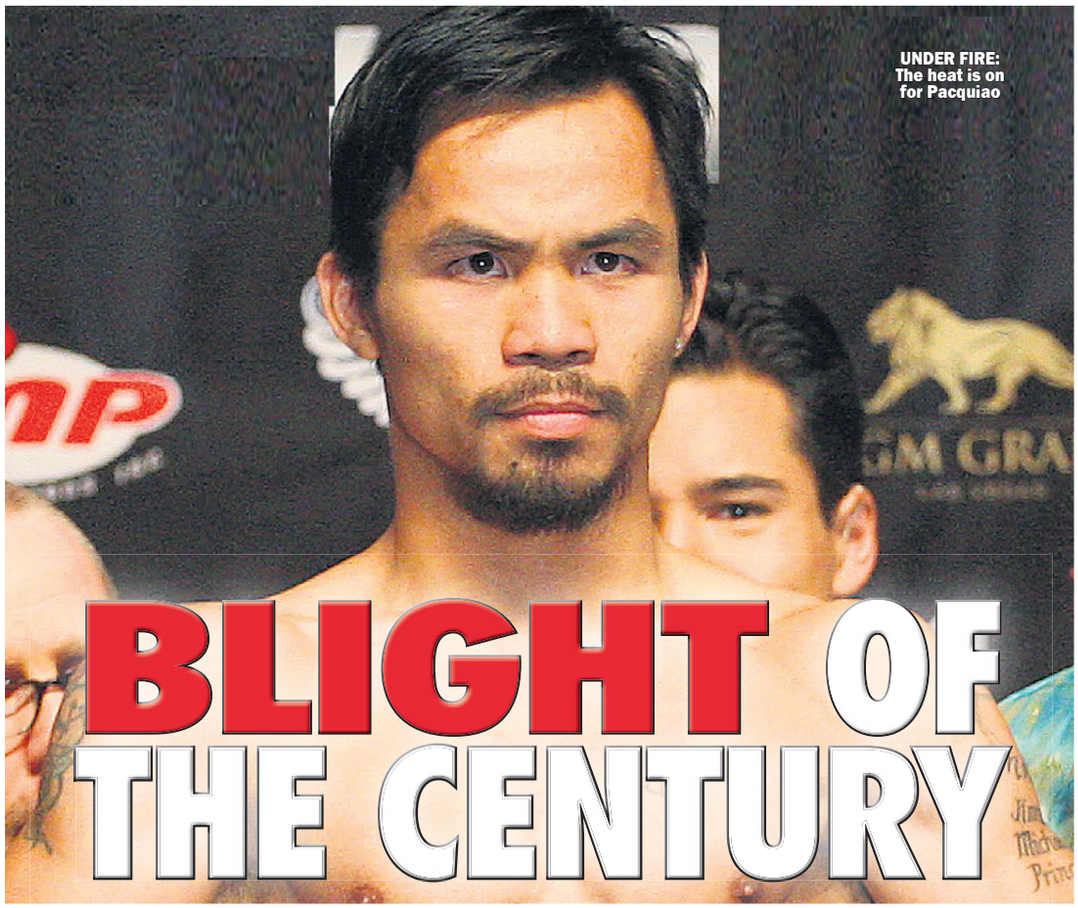
"Some of the things he says are a little bit baffling, and you cringe at times. Whether he'll still be there come the Ashes is the new director of cricket's prerogative."

He wants Yorkshire coach Jason Gillespie to get the job and let an Aussie take on his own country.

He added: "He's done a fantastic job with Yorkshire, and there's no reason why he shouldn't be able to do a similar job with England."

LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN



UNDER FIRE: The heat is on for Pacquiao

BLIGHT OF THE CENTURY

JOHNNY ROTTEN'S last words at the final Sex Pistols gig in San Francisco before they split up in 1978 were "Ever get the feeling you've been cheated?"

Fight fans felt that less than 60 minutes after Manny Pacquiao's points defeat against Floyd Mayweather Jr in last weekend's supposed 'Fight of the Century'.

That is when he revealed that he had gone into the £300m Vegas welterweight fight with a serious shoulder injury.

At worse he could face perjury charges after his manager Michael Koncz ticked 'No' in a pre-fight form when asked about the injury.

By signing Pacquiao and Koncz "hereby swear under penalty of perjury, that the above information is true and correct to the best of my knowledge".

COMMENT

The fighter and his team have also been hit with a £3.3m lawsuit on behalf of US TV viewers who claim his failure to come clean was fraud.

While Sky Box Office viewers shelled out £20 to watch the damp squib, US television fans forked out £65 to see Mayweather dominate.

The discredited Filipino's revelation that he boxed with a serious injury doesn't sit well with me at all. The fight should have been postponed but, like so often in any walk of life, greed ruled the day.

Sit on tubes, buses, trains and planes in the seven days since the welterweight contest and the whispers of "con" and "boxing's bent" can be heard.

To those of us who love the noble art comments like that hurt, and it is natural to defend a game that has given sport many of his most historical moments.

Boxing will fight back, just like we did in Britain after the David Haye v Audley Harrison heavyweight fiasco, but damage has been done yet again.

We don't get many fights where 'newbies' tune in to boxing and this was one so it is natural that the injury declaration will leave them cynical instead of becoming fans.

Pacquiao's actions will also have a knock on effect for fights in the near future.

Casuals may turn a blind eye to the Sky Box Office show and brilliant dedicated fight channel BoxNation that shows big fights from around the world week after week may even be hit short-term by Pacquiao.

There should even be sympathy for Mayweather who showed once again why nobody comes close to beating him, taking his record to 48-0.

Who would ever have fought Floyd Mayweather with his checkered history of domestic violence would ever steal the moral high ground from Pacquiao.

BUTLER SERVES UP COMEBACK MISSION

FORMER IBF bantamweight champion Paul Butler begins his comeback next month hell bent on winning a second world title.

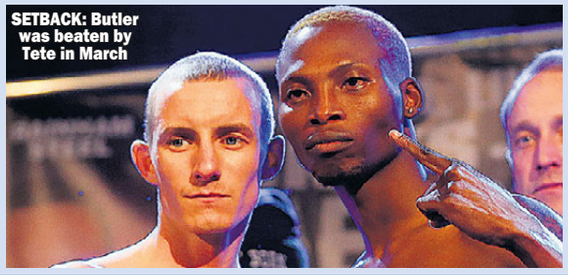
Butler was beaten in eight rounds by IBF super-flyweight champ Zolani Tete in March, his only defeat in 18 fights.

He will be back on action at Liverpool Olympia on June 20, and admit: "It was hard to take in the loss to Tete, but I lost to a world class fighter, simple as that.

"What's happened has happened and now it's about picking myself up and dusting myself off and getting in the ring again,"

"The thought of quitting never went through my mind, I knew in my heart that I wanted to fight again, but I just had to get my head around the loss and get back in the gym"

Trainer Arnie Farnell added: "Paul lost to a great fighter, no shame in that. He fought the best and came up short this time, but now we're ready for a second run at the title."



SETBACK: Butler was beaten by Tete in March

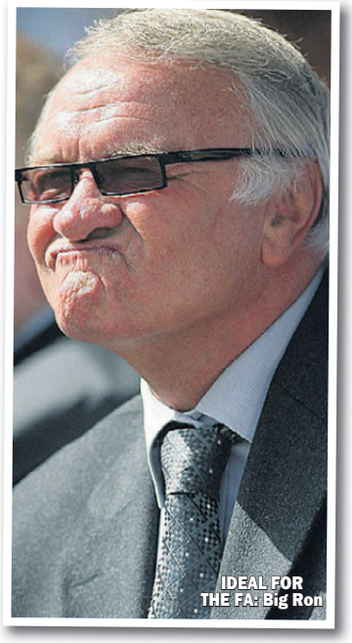
FA missed out on Big Ron



IDEAL FOR THE FA: Big Ron

DID the FA really ask Graham Taylor to limit the amount of black players he picked during his ill-fated spell as England manager?

It's not as if he had an embarrassment of riches at the time anyway, to restrict him further seems madness!

Taylor's probably about as far away from being the sort of person who would agree to such a ridiculous suggestion as you can get.

You only have to remember that fantastic first spell he had as Watford boss when he brought the likes of Blissett and Barnes through at a time when terrace knob heads were still lobbing bananas.

Taylor now denies any knowledge of speaking about it and you have to hope it's not true.

We know it's only Orange he had a problem with, not black but if there is any truth in this then it's very worrying.

If the FA wanted to dick about like that why didn't they just give Ron Atkinson the job?

Beleaguered Newcastle boss John Carver insists he is the best coach in the Premier League, he says he just needs the right tools to do the job. That was always my excuse for being crap at DIY but after eight defeats on the spin, there's clearly no shortage of tools at St James – and one of them owns the place.

FAIR PLAY MY ARSE

GREAT news folks: we've got an extra Europa League place next season!

That's one more manager to spend the arse end of next season blaming it for his side being in a relegation scrap.

Unless of course it's Burnley, which it could be, as this place is based on fair play.

Sean Dyche's Championship-bound Clarets face a three way tussle with Everton and West Ham for the right to feature in this awful competition that should have either been converted back to a straight knockout tournament or scrapped altogether.

Could we be watching 'The Emirates FA Cup' next season? The competition has been sponsored before but kept its traditional title (with the awkward 'sponsored by' mumbled after it). Now it seems the FA are prepared to sink to a new low in selling off another trinket in their quest for more dirty dollars.

MERV'S FACT HUNT

LAST week I asked: Which two current Championship Clubs have never played in the Top Flight of English Football? The answer is Bournemouth and Rotherham and, thanks to Eddie's Howe's boys' winning the title that leaves The Millers alone.

This week's brain strainer is: Which four Stoke City players appeared at the 2014 FIFA World Cup Finals in Brazil? Answer next week...

PHIL YER BOOTS

CHELSEA v LIVERPOOL: SUNDAY 4PM SS1

IT could boil down to a question of who wants this more.

Chelsea are already Champs and their visitors will give them a guard of honour as they walk on to the pitch.

A gloating home crowd is certain to waste no time in rubbing the Reds' noses in it.

"This club is based on dignity and respect and class. Whoever is the champions, that's what you do," said Anfield boss Brendan Rodgers.

Liverpool on the other hand still have a chance of snatching that final Champions League qualifying spot.

The Blues must line up without Oscar and Diego Costa is still a doubt.

Lost

There is also a chance boss Jose Mourinho will give starting roles to some of his fringe squad members.

Liverpool have lost Daniel Sturridge until September but Mario Balotelli and Lucas Leiva are back in contention.

At 3/1 they rate the value bet with Chelsea on 11/10 and the draw 5/2.

Mourinho has won eight and lost just one of 10 Premier League matches as a coach against Liverpool.

But the Anfield boys have a good record against Chelsea if you take out the Mourinho factor.

In the 11 league meetings between his two spells in charge, Liverpool won six and lost just two matches.

The Reds have been very good travellers and have kept seven clean sheets in their last nine Premier League matches on the road.

In fact, keeper Simon Mignolet has had 13 shut outs in the top flight this season – only Fraser Forster (13) has as many.

They need a change of luck against one of the big four because they have won just four points in their seven PL games against the current top four in this season (W1 D1 L5).

But with Chelsea potentially having their minds already on the beach, it could be the Reds day.

For the correct score we like 1-0 at a shade over 10/1 with BetVictor — gut instinct says this won't be a goal fest at the Bridge.

Phillippe Coutinho has been excellent for Liverpool this season, even in the spell when the team's form dropped.

You can get a whopping 14/1 with Spread Ex's fixed odds about him scoring the first goal.

In the specials market, the 7/1 Paddy Power offer about both sides to score makes some appeal.

For Chelsea backers, Eden Hazard has been sensational this term and the 11/2 you can generally have about him to net first.

Eden Hazard has created the most chances from open play in the Premier League this season (88) and has also beaten an opponent with a dribble on the most occasions (160).

That's impressive stuff from a player who has a lot of improvement in him.

Fair

Like we said we think it will be tight so the 7/1 about a Chelsea 1-0 win could also be a wise wager.

If you think there will be no goalscorer that's very fair too at 9/1.

This could get feisty so 100/30 about there being a sending off at any time during the 90 minutes is very reasonable.

BETS: Liverpool to win 1-0 (21/2); Coutinho first scorer (14/1).

MANCHESTER CITY v QPR: SUNDAY 1.30 SS1

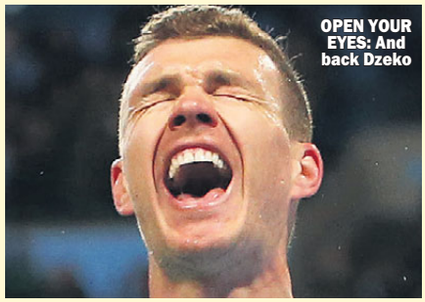
CITY and QPR go head to head in the early kick-off and you have to side with the hosts.

The match odds are too skinny at 2/9 with the visitors 14/1 and a stalemate 13/2.

So we will bank on there being plenty of goals and try a few quid on a 4-0 success for the light blues at a best price 12/1.

City have lost just one of their last 15 Barclays Premier League home games (W11 D3 L1) and are unbeaten in their last six matches in all competitions against QPR.

Edin Dzeko has three goals and two assists in two Premier League starts and three substitute appearances against QPR. He is due to start on the bench again so go for him to be final scorer at 9/2.



OPEN YOUR EYES: And back Dzeko

City's substitutes have contributed towards 17 goals this season; more than any other teams' replacements.

Sergio Aguero has scored three goals in four Premier League games against QPR, including probably his most famous goal of all on the final day of the 2011-12 season. The 11/4 about him to score first is reasonable enough.

Since the start of last season, Charlie Austin has scored 36 league goals for QPR and for Hoops fans he's big at 25/2 with bwin for the opener. BETS: City to win 4-0 (12/1); Dzeko last goalscorer (9/2).

BY MICK LIVESEY

Mac to knife the bookies

I WAS celebrating midweek another Nap did the business and the Regency ante-post selection 'Touch Tackle' romped to victory and the 9/2 is now looking massive ahead of next week's semi-finals.

We can't sit on our laurels though, I'm hoping we can heap more pain and misery on those bookies today.

One greyhound that is in flying form is Richard Devenish's lady Ballymac Godsend.

She is in lethal form right now over the shorter trips and seems to be excelling over the 428m trip here at Henlow. At her best she is a real lid pinger and I'm backing her to fly from the traps and make every metre a winning one.

Cape Lee has won his last two races both over the 277m here at Henlow in exactly the same time of 16.84.

The burning question is can any of the opposition go faster than that? Probably not is what I'm going to say and I advise we back Lee to hand his hat-trick.

Mays King went in the notebook last time after hitting everything bar the grandstand and still managing to grab second.

All we need tonight is a clear run, he must help himself by coming away better and if he does we will be in clover.

NOTTINGHAM MONDAY

It's the start of the Truframe Stud Book Trophy at Nottingham and it's attracted an exciting field. The star attraction for me is the Arc finalist Calco Flyer. He really impressed during that category one competition at Swindon and I think he takes the world of beating here. What makes him so formidable is he can do it both ways (from the front or come from behind) and that ensures we will always get a run for a money.

BEST BET

NAP T1 Calco Flyer 20.37 and to win competition.

NO FIGHT: Coloccini

COLO: TOON DIDN'T GO BUS BARMY

By JOE BAXTER

NEWCASTLE skipper Fabricio Coloccini has moved to silence reports that his players had a massive brawl on the team bus.

It has been widely reported that there was an almighty punch up on the coach home from their 3-0 defeat at Leicester last week.

It has been like an episode of the Jeremy Kyle Show on Tyneside this week as the players held a series of "frank discussions" about how crap they have been in recent months.

They have slumped to a shocking EIGHT Premier League losses in a row — a run that looks like it might drop them into the relegation places.

Coloccini said: "The dressing room after the game was angry at the result and the performance.

"However, I have read things this week that said there was fighting between the players in the dressing room and on the bus. That is not true at all.

"Everything that was said was positive and constructive as everyone is trying their best to push the team back up the league.

"This week we have had a number of meetings between the players and with the staff at the training ground. Everyone has made it clear that they want to fight for this club to keep Newcastle in the Premier League."

The Argie also moved to take some of the heat off head coach John Carver.

'BEST BOSS': Carver

The boss didn't help himself by saying he is the best manager in the league the other day.

Before the men in the white coats head to St James's Park, Coloccini says Carver shouldn't take the blame for their lowly league position.

He added: "This situation is the fault of the players. We have put the team in this position in the league, we take responsibility for that and it is up to us to get ourselves out of it."

Coloccini came in for some stick himself from Alan Shearer for writing a letter to the fans explaining the reasons for the team's poor form.

Shearer said: "I don't know what he's doing writing letters to the fans asking them to stick with the team.

"The fans' support for the team is guaranteed whatever happens.

WITH HIS SPORTING ODDS AND ENDS

HUGE MISS: The Reds have been goalshy without Sturridge in the side

Draw on a Red revival at 13/2

POOL YOUR RESOURCES FOR 1-1

CHAMPS Chelsea will be given a guard of honour at Stamford Bridge today by underachieving Liverpool.

The Reds have a poor record against the best sides this season winning just four points out of a possible 21 against the current top four.

Chelsea are 11/10 to keep all three points in west London with the Reds 29/10 and the draw 12/5; Jose Mourinho has only lost one of his previous 96 home PL matches at the Bridge and will be keen for his side to go unbeaten at home throughout the season.

Liverpool know that this is a game they have to get something from if they want to maintain their stuttering challenge for a Champions League spot.

It is well documented that the Reds have missed last season's SAS but with Suarez long gone and Sturridge increasingly injury prone this is a big summer for Brendan Rodgers.

Eden Hazard is 11/2 to grab the opener with Philippe Coutinho 12s and the latter has been the Reds' player of the season this term. I think Liverpool can get a draw and BetVictor's quote of 13/2 for a 1-1 draw looks a shade too big.

Manchester City have reacted positively to their recent humblings at Old Trafford and at the hands of Barcelona in the Champions League. They entertain QPR in today's early kick off and I can't see past an emphatic home win with Manuel Pellegrini who, at the time of writing, doesn't know whether he will have Yaya Toure back from injury.

The Ivorian's agent suggested earlier in the week that Toure was 90% certain to leave the Etihad during the close season. Some would argue that his £1m a month salary would be an issue for many clubs but there are unconfirmed reports from the north east that Hartlepool United are in the box seat for Toure's signature given they have already sent him a delicious birthday cake and huge card for his 32nd birthday on Wednesday.

Pellegrini and Manchester City officials are reported to be livid with this what they consider to be a premature if not illegal advance (allegedly a lemon drizzle) from the Pools having vowed last year to be more prepared for the Ivorian's birthday after what can only be described as #cakegate31.

The fixture will always bring back fond memories for City fans given they beat the Hoops on the final day of the 2011-12 season when Sergio Aguero's injury time winner brought the title to the Etihad. City are 25/1 to win 3-2 again although I prefer 3-0 at 17/2 with BetVictor and 12/1 4-0.

The big race in Ireland this afternoon is the Derby Trial and I hope to see SUCCESS DAYS (7/4 at BetVictor) confirm the improvement he showed when winning the Ballysax Stakes on soft ground last month. At Ludlow look out for KALIMANTAN (3.15) for Tim Vaughan and Richard Johnson in the 2m 5f handicap hurdle.

GRAYSON HAPPY AS LARRY

Preston North End v Chesterfield

Sunday, 12.15pm kick-off, live on Sky Sports 2

PRESTON are in the driving seat after coming away from Chesterfield with a 1-0 victory.

It was the first time North End had managed to win the away leg of a play-off and boss Simon Grayson is confident his team can beat their hoodoo.

Preston have made it to 10 end-of-season shoot outs without ever getting promoted. They must now be strong favourites to get to Wembley at least.

Grayson said: "We knew it was going a really tough game against a good footballing team who play with a good tempo and move the ball quickly.

"At times we had to surrender a little bit of possession because if you go chasing the ball, they pick you off with their movement and rotation in their top two or three.

"We had to be disciplined, which we were, and we always looked like we could score on the counter attack."

And he was quick to wheel out a manager's favourite saying when halfway through a two-legged tie.

HOPEFUL: Cook

Chances

Grayson added: "It is only half a job done so far.

"I'm pleased with how we responded, we defended like we had to do and still played when we got chances.

"We could have passed it a little bit better but overall I was pleased enough.

"We made a decent start with the goal.

"It was a great ball in to Joe Garner who made a fantastic decision to go over it and let it run to Jermaine.

"When he went through you don't expect anything else from him, you expect him to hit the target at the very least.

"To chip the keeper like he did shows a lot of confidence and belief in his own ability.

"I thought we started the game really well, stopped them from playing, pressed high up the pitch.

"Then we had to defend against a good side. I'm delighted to have got the win and the clean sheet, we worked extremely hard.

"We pressed in certain areas and when the ball came into the box, we had to defend it well.

"Now we focus on another game on Sunday at Deepdale."

Chesterfield boss Paul Cook still thinks his side has every chance of pegging Preston back.

He said: "We're looking forward to Sunday, Preston know we're still alive. At 1-0 the next goal in the tie is huge and we believe we can get it.

"If we don't we'll keep doing our best. For our players because going up against these teams you can get found out if you're not good enough. That certainly never happened.

"We knew it was always going to be a difficult tie, if we drew I thought it would have been a good result. The next goal is everything and we believe in what we're doing. I do, the players do and the supporters do."

SWINDON v SHEFFIELD U

YOUNG BUCKS: Mark Cooper is relying on players like Nathan Byrne (right)

COOPER'S THRILLED WITH WIN

SWINDON manager Mark Cooper thinks his young side is fearless as they defend a 2-1 lead against Sheffield United.

Town stunned the Blades by coming back from a goal down to shade the first leg at Bramall Lane.

The victory has left Swindon in pole position to make it through to Wembley.

But first they have a tricky second leg to negotiate at the County Ground.

Cooper said: "I thought we played some brilliant football in a real pressure cooker."

Space

He heaped praise on the younger members of his team.

"We never settled for a draw, we felt the game had really opened up and there was space for Nathan Byrne, John Swift, people like that, to go on and drive home an advantage and we wanted to get what we got.

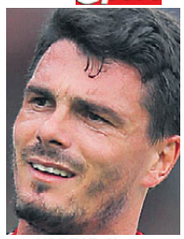
"I am really proud of the players but it is only half a job done.

"I am not going to bleat and say yes we have done this and we've done that.

"We know we have got a remarkably tough game to come at home against a really good team against some really good players and we know we have to be on our guard."

United will be without Stefan Scougall who limped off in the first leg and they will make a late check on John Brayford's back injury.

I'll win it with kids



UPBEAT: Henry

Skipper Ron stays positive

Stevenage v Southend

Sunday, 6.35, live on Sky Sports 1

STEVENAGE captain Ronnie Henry says he's thinking positive ahead of the play-off with Southend.

The big defender has been a massive miss for the home side since picking up a hip injury in early March.

He made a timely return to action in the final league game of the season against Luton and he's a big boost for Stevenage.

They were beaten by the Hatters but that didn't drive Henry mad.

He said: "It's a positive really, though I'm a bit disappointed with the result.

"We're in it as a squad, and we win as a squad. We'll go into the week with plenty of confidence but we know we've got to improve on Luton.

"I was 85/90 per cent at the end on 60 minutes and I thought it was time to come off because I haven't played for a month and it was getting a little bit sore.

"But I'm in a positive mindset now and I've got a week's training ahead of me. If I can get through that it's all to play for."

Tough

But while he's positive, Henry knows Southend pose a massive challenge if he is to lead his side out at Wembley.

Henry added: "Southend over two legs isn't going to be easy. Southend away, it's a tough place to go as the gaffer has said.

"The play-offs are great to be involved in. Everyone says it's the best way to go up, so let's have a go it."

Southend striker Joe Pigott reckons it's a massive advantage for his side to be playing the second leg at home.

The clash at Roots Hall next Thursday is already playing on his mind.

He said: "Being at home in the second leg is a big advantage and hopefully that can help us get through.

"We obviously need to make sure we stay in contention when we go there for the first leg but after that we can look to put them under real pressure at Roots Hall.

"And hopefully we can put the chances away to win the game.

"I'm desperate to help Southend go up.

"Of course it's great to have a promotion on your CV but Southend's fans deserve to be watching a better standard of football than League Two and I want to try and help make that happen because they've been really good to me since I've been here."

PREMIER LEAGUE: NEWCASTLE 1 WEST BROM 1

POINT MADE: Ayoze Perez (left) fires home Newcastle's equaliser

Col to arms!

FANS CAN KEEP US UP, SAYS SKIPPER

SKIPPER Fabricio Coloccini paid tribute to the Toon Army after Newcastle ended their nightmare run of eight straight defeats.

By LEE COLLIER

Toon went behind to a Victor Anichebe strike before Ayoze Perez rescued under-fire coach John Carver.

Coloccini said: "I thought we created a lot more chances than in our other games.

"But I want to thank our fans. They really stuck with us and we're going to need them in the next couple of weeks."

Carver was forced to send out a makeshift defence with Daryl Janmaat and Mike Williamson – who he accused of getting deliberately sent off – suspended.

That meant Vurnon Anita had to fill in at left-back with rookie Paul Dummett in the middle.

The first attack worth its salt came from the Baggies as a Craig Dawson header cannoned into the post after a pinpoint corner from Craig Gardner.

Ryan Taylor then reacted quickly to deny Youssuf Mulumbu a tap-in.

Despite that, the home fans were right behind their team and were in full voice screaming for a spot-kick after Remy Cabella was chopped down inside the box.

That cut no ice with the ref – but the crowd were up again a couple of minutes later when Joleon Lescott was forced to clear off the line after a goalmouth melee. The mood changed when West Brom took the lead, Anichebe making the most of his height advantage over the home defence to head home a Gardner cross.

Carver must have feared the worst when the boos started to ring out, but it wasn't long before his side were back on level terms.

Gaping

And they had Perez to thank after he brilliantly controlled a low Taylor cross from a free-kick before smashing into the net from the edge of the box, giving a patched-up Boaz Myhill no hope.

That should have been the start of a turnaround for Newcastle, but they might have gone in 2-1 down.

Good work by Chris Brunt in the Toon box drew Tim Krul out of his goal and he combined with Gardner to tee up Anichebe, but his cross was off target with the net gaping.

The second half was pretty quiet until West Brom came within a coat of paint of taking the lead again with 18 minutes to go.

Dawson's header found its way to Brunt, and when his effort was booted off the line by a desperate Dummett, Brunt's second attempt came back off the post.

Myhill came into the game with a heavily strapped leg, but he could have had his arms strapped up in the second half as the Toon failed to cause him any danger.

Carver threw Sammy Ameobi on for the final five minutes looking for his first ever goal at St James's Park, but he made little impact as both teams settled for a draw.

OLD FARM DO THEIR LEVEL BEST

Ipswich Town	1
Norwich City	1

TWO goals in four minutes means the Old Farm play-off derby goes to Carrow Road next week all square.

Jonny Howson put Norwich into the lead just before half-time, but the Tractor Boys hit straight back through sub Paul Anderson.

Canaries keeper John Ruddy had to be lively early on when Freddie Sears cracked a close-range shot.

He was equal to that – and made it a fantastic double save when denying Luke Varney from the rebound.

The visitors roared back and almost opened the scoring with a long-range curler from Alex Tettey that clattered into the post with the keeper beaten.

Varney then dealt a blow to Town boss Mick McCarthy by going down with no-one near him. He was carried from the field to be replaced by Anderson.

That was compounded by the visitors opening the scoring just before the break.

Tommy Smith was caught napping and Cameron Jerome sneaked in to set up Howson. He made no mistake with a rasping shot into the corner. But, just as the half-time tea was brewing, Ipswich sub Anderson did the business.

He was first to react after a Sears shot could only be parried into his path by a slightly unlucky Ruddy.

Cagey

It took a while for the second half to stutter into life before Norwich's Bradley Johnson brought a good save from Bartosz Bialkowski.

A long period of City possession was broken up by Sears, who almost scored with a difficult header from a Kevin Bru cross. He was unmarked at the far post and was disappointed with himself after the miss.

Then Johnson powered in a long-range shot that was deflected for a corner that was easily handled by the home defence.

As the game went on, it got more and more cagey as both managers seemed to settle for a draw with the second leg in mind.

There wasn't a lot more to get the supporters out of their seats until stoppage time when Nathan Redmond almost gave Norwich a lead to take back to Carrow Road, but he couldn't get enough power on his header.

SCREAMER: Anderson fires past John Ruddy

TOM THUMP: Cleverley with Vlaar after his goal

Cleverley proves a real Cam belter!

Aston Villa	1
West Ham	0

DAVID CAMERON got his second big win of the week after his beloved Aston Villa picked up three crucial points.

Tom Cleverley may not be at Villa Park next season, but he'll get the Prime Minister's vote for his 31st-minute winner.

Wonderkid Jack Grealish deserved all the thanks after his excellent work put it on a plate for former Manchester United midfielder Cleverley to knock the stuffing out of the Hammers.

Villa survived plenty of pressure after the break but held on to record their first back-to-back home wins of the season.

Tim Sherwood's side are now four points clear of the drop zone with two to play.

Things should have been easier for West Ham after Shay Given got involved in a pushing and shoving match just before the break.

The Irish veteran keeper was lucky to stay on the pitch – thanks to another fantastic decision by referee Lee Mason.

Rasper

The Hammers must have had a rocket from Big Sam as they were much more lively in the second half.

Sherwood was up and down like a blue-arsed fly as his team came under waves of pressure.

Nene was thrown on at the interval and almost made an immediate impact when his rasper from 25 yards shaved a coat of paint off the Villa crossbar.

Then James Collins got a yard of space at a Mark Noble corner and brought an excellent save out of evergeen Given.

Enner Valencia had the ball in the Villa net only for it to be ruled out for the thinnest of offsides.

The striker made room in front of goal and met Nene's cross perfectly but the flag was up for a contentious call.

That seemed to wake Villa up and they got a grip in the middle of the park.

Good work from Fabian Delph set up a chance for Ashley Westwood, who pushed his shot just wide of Adrian's goal.

Sub Gabby Agbonlahor could have made it safe late on but he fired wide from inside the box.

RELEGATION DOGFIGHT: HULL 0 BURNLEY 1

CLARETS ARE DAN FOR!

Ings winner not enough

BURNLEY are down despite landing a dramatic win – and they could be dragging Hull along with them.

By PETER WILLETTS

There's no coming back for the Clarets even after a Danny Ings goal secured the three points.

Ings was gutted after the match, but he paid tribute to his team-mates, saying: "The lads have all been unbelievable – we've been fighting from start to finish.

"It seems like it's too little too late for us, but we never stopping trying and I'm so proud of the lads."

Hull have dropped into the bottom three, meaning they must at least win at either Tottenham or at home to Manchester United to escape.

The first half was pretty cagey with Hull's Robbie Brady at the heart of most of the action.

He fired a free-kick into the wall and Tom Huddlestone's follow-up flew wide from a decent position.

It took another 10 minutes for the Tigers to bare their teeth and Brady was again involved.

He showed good pace to cut across from the left and make a dangerous run into the Burnley box. His cross had goal written all over it before Jason Shackell did well to clear.

Needing a win, the Clarets finally had a go – and it almost paid off as a chance was carved out for Ashley Barnes, who should have done a lot better with his header. Then the deadlock was almost broken by Brady. This time it was another free-kick and he managed to beat the wall only for the crossbar to come to Burnley's rescue.

The half-time whistle couldn't come a moment too soon for a Clarets side that knew they would be in the Championship unless they scored at least one after the break.

And they really should have got it when Matthew Taylor fired in an excellent cross that gave Barnes a free header in a superb position. But he mistimed his jump and miscued his finish.

Another opening came after Ings teed up Barnes to try an audacious overhead kick that flashed just past the post.

Fluffed

They should have had a penalty when Ings was clattered into by Paul McShane inside the box. Then the ball went to Barnes, who also looked to be tripped – but the ref was stone-faced.

Ings did finally make the breakthrough. Michael Dawson was off the pitch being treated and the extra space in the box allowed the striker to pounce on a fluffed clearance by Ahmed Elmohamady and fire home.

But it wasn't enough for battling Burnley, who went down fighting.

Steve Bruce will be hoping Hull can at least manage that.

SLOPPY SPURS GET SPANKED

Stoke City	3
Tottenham	0

TEN-MAN Tottenham played as though they were already on the beach as Stoke cruised to a comfortable win.

Spurs were trying to make it five wins from six visits to the Britannia but it never looked likely.

Charlie Adam continued his good run of scoring form when he cashed in on a poor clearing header by Jan Vertonghen to net from six yards out.

Tottenham offered little in response and one became two when another defensive balls-up gave Steven N'Zonzi a chance he couldn't miss.

Keeper Hugo Lloris and Eric Dier got involved in a game of "after you Claude", giving the Stoke man all the time in the world to hit the target.

To put the top hat on a bad day in the Potteries, Spurs defender Vlad Chiriches was ordered off after a second yellow card just six minutes into the second half.

Mame Biram Diouf completed the scoring in the dying minutes.

Adam could have had more than one goal. He fired in one of his trademark curlers after the break but Lloris was alert and made a smart save to deny the Scot.

The visitors threw Roberto Soldado on but the chances continued to flow for the boys in red and white stripes.

Teasing

Adam was again at the heart of matters – he's some player when given time on the ball – and his teasing cross was flapped at by Lloris.

The French keeper was saved by a wrong whistle from the ref that stopped the Potters making it 3-0. The home crowd don't get the chance very often but it was like Barcelona with shouts of "ole" ringing around the stadium.

Spurs did shut the home fans up for a few seconds when Christian Eriksen showed his class with a sharp free-kick from 25 yards out, but it just cleared the bar.

Five minutes from the end Stoke got a deserved third through an 11th goal of the season from Diouf.

He was sharp inside the area to finish after a good cross by Marko Arnautovic, diving in front of the Spurs defence to convert the low ball at the near post.

TOP OF THE POTTS: Nzonzi makes it 2-0

DOUBLE: Mahrez

Mahrez is double trouble for Saints

Leicester	2
Southampton	0

LEICESTER fans will be thinking of a title challenge next season after their fantastic run of form continued.

The Foxes made it seven wins in eight as Ronald Koeman's Saints weren't given a moment's peace at the King Power Stadium.

Despite the win, the job isn't done yet as Leicester are still just three points above the drop zone, albeit with slightly better goal difference than their rivals.

The game was pretty much put to bed by the interval thanks to a first-half double from Riyad Mahrez.

He's not a name that's too familiar to Premier League fans, but that might change after his first goals for the club.

He showed good skill to twist and turn into a little space just outside the box before belting a fantastic shot past Paulo Gazzaniga in the Saints goal.

Leicester suffered a blow when Matt James was carried off just 13 minutes in.

Dangerous

And, while the home side recovered from that, Southampton almost levelled matters when Ryan Bertrand's dangerous cross was clutched by the grateful Kasper Schmeichel.

Leicester doubled their lead when Mahrez got on the end of a Jamie Vardy cross.

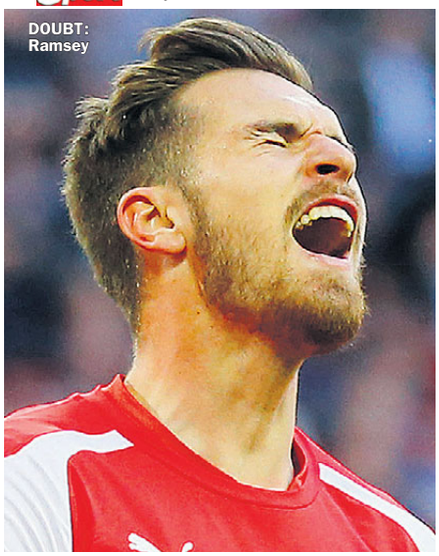
It was a much easier finish from close range than his first, but he took it well.

It should have been three when Mahrez repaid the favour and put Vardy through on goal, but he fluffed his lines and keeper Gazzaniga was able to keep a poor shot out of his net.

Southampton improved a little after the break and Eljero Elia went close with a strong drive from 25 yards that threatened the goal before going just over.

Then Mahrez had half a chance of a hat-trick when shooting wide before Esteban Cambiasso came into the game and should have scored when free inside the box.

He had time to get his shot away but it was a lame effort.



DOUBT: Ramsey

AAR'S PAIN A WORRY FOR WENG

Arsenal v Swansea City

Monday, 8pm, live on Sky Sports 1

ARSENE Wenger may be forced to shuffle his midfield for the visit of Swansea as Aaron Ramsey is taking his time recovering from a leg injury picked up against Hull.

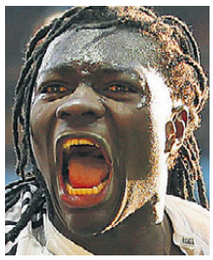
The Welsh midfielder is rated no better than "50-50" to make the starting line-up.

That's a nuisance for Wenger, who says he doesn't want to change his team while they are in the middle of a decent run. He said: "We had stability on the tactical front, the confidence is there and I didn't change recently."

In plain English, that means the lads are playing well so I don't want to change a winning side.

The Gunners are locked in a straight fight with Manchester City to finish second in the league to cap what would be a season of progress at the Emirates.

The Frenchman added: "I believe that it's very important that we finish as close as possible to Chelsea.



BACK: Bafetimbi Gomis

Proud

"I want to come out of this season and think that we are ready for a challenge next time."

Wenger is proud that he has steered his team into the Champions League places yet again.

He said: "I am very proud that we have been able to manage such consistency.

"It is not easy to do that and especially when for many years we didn't have the same resources as some of our rivals — people forget about that.

"We had to sell our best players for years to stay at the top.

"Today we have got over that hurdle and we can have high ambitions again but for many years it was difficult."

It has been a successful season for Swansea, who have passed their highest ever Premier League total.

It looks as though the Swans will be boosted for the Emirates trip by the return of striker Bafetimbi Gomis to the line-up after suffering a hamstring injury four weeks ago.

Boss Garry Monk said: "He is looking fit and sharp.

"He will definitely be involved in the squad."

It's a timely return as fellow forward Nelson Oliviera will miss the rest of the season with a bad ankle.

He was carried off as Swansea beat Stoke 2-0 last week.

Monk says he's relieved to have Gomis available as he would be struggling for a fit forward otherwise.

He said: "We would have been thin on the ground with Gomis.

"He has come back after three or four weeks so it's not that long a period that he would have lost a lot of fitness.

"We will assess Bafe as the week goes on and that decision will come more towards the game whether he starts."

The Swans need to win one of their remaining three games to cement an excellent eighth spot in the Premier League.

PREMIER LEAGUE ACTION:

LUCK'S IN

Sunderland take points with double deflection

By MIKE MURRAY

SUNDERLAND took a giant step to Premier League safety – with one of the LUCKIEST wins of the season.

They were battered for most of the game by an Everton side that just couldn't score despite hitting the post and having a strong penalty shout turned down.

But the Black Cats worked hard and got their rewards with TWO deflected second-half goals from Danny Graham and Jermain Defoe.

The Goodison crowd welcomed their 1985 title-winning side back for a 30th anniversary lap of honour.

And how the Everton fans will wish they had players like Peter Reid and Andy Gray in the current side that seems to lack leaders – and goals.

One man that might have made a splash in that team is Ross Barkley, and Toffees boss Roberto Martinez restored him to the starting line-up.

That meant the bench for serial sulk Kevin Mirallas – another indication he's on his way out of the exit door.

It started pretty well for the home side when Leon Osman fired in a dangerous shot that curled just wide with Costel Pantilimon beaten.

Cock-up

It was all Everton early doors and the Black Cats keeper had to be at his best to deny Romelu Lukaku. Barkley should have done much better with the rebound that came his way, much to the frustration of the home fans.

Then the visitors bounced back with former Everton target Defoe blasting in a shot that could have gone anywhere after a deflection off Connor Wickham. Luckily for the Toffees, it whistled well wide.

The home side finished the half well with Pantilimon again in good form, pulling out sharp saves from Osman and then Lukaku.

Everton started the second half brightly but their weakness in front of goal came to the fore.

It was Lukaku to blame again. After he'd used all his strength to beat Wickham to a corner, he misjudged his header and the ball hit his shoulder and flew past the post.

That cock-up came back to bite Everton as Sunderland took the lead 10 minutes into the second half.

Teams at the bottom of the league are always moaning about their luck, but the Black Cats got a huge slice of good fortune.

The goal came after Jordi Gomez's 25-yard shot tod a wicked deflection off Graham's leg as he was trying to jump out of the way, sending the ball looping over a helpless Howard and into the net.

Sunderland almost doubled their lead when Patrick van Aanholt gave us a flashback to John Barnes against Brazil by dribbling past half-a-dozen defenders before smashing wide when he'd made it all the way into the six-yard box.

The home side missed more chances before they were unlucky to see a long-range James McCarthy shot hit the post with the keeper stranded.

There were massive shouts for an Everton penalty after Defoe clattered into Seamus Coleman inside the box as he was just about to pull the triger, but the ref was having none of it.

Then came the second jammy goal of the match. This time, Defoe was the man to deflect the ball past Howard from a mis-hit Adam Johnson shot, with replays suggesting it also hit his hand.

And that moment summed the game up – good news for Sunderland, a disaster for rivals Newcastle.

HOPES TO STAY: Ramsey

Hoops look on a total downer

Queens Park Rangers v Manchester C

Today, 1.30pm, live on Sky Sports 1

QPR could already be a Championship side by the time this match kicks off.

Either way, anything less than a win would condemn the Hoops to the second tier next season.

Manager Chris Ramsey has practically an entire defence on the sidelines and there will be a late check on Bobby Zamora at the other end of the pitch.

For City, Vincent Kompany and Yaya Toure are both in the squad after recovering from groin and hamstring strains.

It won't be easy for the Hoops to get the win they need. Despite seeming to play more attacking football under Ramsey, they have picked up just nine points since the turn of the year — that's even worse than Newcastle.

They have lost seven of their past 10 league games with only one win in that desperate run.

Despite all that, Ramsey wants to keep his job next season.

He says owner Tony Fernandes has not mentioned either way what will happen this summer.

BACK: Kompany

Stone

Ramsey added: "We have had discussions before, but nothing has been put in concrete at the moment.

"There is still the rest of the season to be getting on with.

"I am hoping I am going be here, but we have not put pen to paper and put anything in stone yet.

"A decision is going to be made at the end of the season, but I am hoping it will be me at the helm. We have not put pen to paper yet.

"If the season was to end up negatively, I think it would be important that everybody around realises that in order for the club to have long-term stability that there is going to be a rebuilding period.

"People will have to be realistic about how long that is going to take.

"Having said that, everybody would want to bounce straight back into the Premier League and I am sure that's what we're going to try and do.

"But we have to be realistic about what we want for the club on a long-term basis."

City boss Manuel Pellegrini is relieved to have his skipper back in the squad.

Kompany has been missed at the heart of the defence in what could be his last season at the Etihad.

He said: "Vincent is always a very important player for us. He is just coming back from a muscle injury.

"For him it is important to try to recover his normal performance. We will see what happens now until the end of the season."

PIR PRESSURE

Bridge and Kop fight for Italian schemer

CHOICES: Andrea Pirlo is wanted by Chelsea and Liverpool

CHELSEA and Liverpool do battle on the pitch today — and are locked in a fight to sign Italian playmaker Andrea Pirlo.

By JOHN ANTHONY

The Blues have the title all wrapped up so would rather win the race for the Juventus star than win three points against the Reds.

Pirlo may be 35 but he has dazzled in midfield again for the Serie A champions this season and both clubs see him as an ideal signing.

Chelsea want him as the perfect foil for Cesc Fabregas, while Liverpool are looking for experience in the middle of the park to replace Steven Gerrard.

The Italian is contracted to Juve until next summer but has dropped some heavy hints that he would like one more big challenge before he hangs up his boots.

He said: "I'll go on as long as I have the same great desire to keep training every day.

"I wouldn't go to another Italian team. Juventus will be my last Serie A team, whatever happens."

That pricked the ears of Jose Mourinho who is a long-time admirer.

But Liverpool are the more desperate to get hold of Pirlo.

Brendan Rodgers knows he faces a massive loss when Gerrard heads to LA at the end of the season and the Anfield faithful are getting increasingly restless about his hit-and-miss transfers.

The Kop boss splashed more than £100m on new players in the summer and most of them — such as Lazar Markovic and Dejan Lovren — have been massive flops.

An Anfield insider said: "We need to bring in the sort of players the fans want to see in a Liverpool shirt and he fits the bill big style.

"The club would tear up its 'buy them young' policy to get a player like Pirlo.

"He would be ideal to bring Philippe Coutinho along and calm the fans' fears about the future without Steven Gerrard."

But Chelsea are definitely in the driving seat thanks to their offer of Champions League football.

It would also be a big plus for Pirlo and his family to live in London rather than in the north-west.

Then there's the thorny issue of a Juventus player signing for Liverpool when feelings are still running high among their fans about the Heysel Stadium disaster.
